

Annual Fundraiser a hit!

Many donors, supporters and friends of the New Jersey Foundation for Aging gathered on Friday October 16<sup>th</sup> for the annual Fundraiser Celebration Event. This year the event was hosted at the Berlind Theater of McCarter Theater Center in Princeton, NJ. The Foundation's guests enjoyed appetizers, pasta and desserts from BT Catering. The New Jersey Intergenerational Orchestra performed for the crowd during the reception. Immediately following the reception, the group enjoyed a wonderful performance of "Having Our Say, The Delany Sister's First 100 Years", starring Yvette Freeman, from the TV series ER and Lizan Mitchell. The play had received rave reviews and it was evident from attendees of the Foundation's event that the play was well liked. NJFA considers this second annual event a great success, we wish to thank all of our guests, sponsor and donors for their continued support of our efforts to make New Jersey a better place to age well.
