Ten Year Anniversary Celebration is a Success!

Trenton -- The New Jersey Foundation for Aging (NJFA) celebrated its 10th Anniversary on October 31, 2008 with a special event in Red Bank. Guests met for a reception and dinner at Buona Sera Restaurant and then enjoyed the "Capital Steps" performance at Count Basie Theatre.

Current NJFA President Rosemarie Doremus and Founding President, Carl West, both of whom are founding trustees, presented awards to the Fannie and Morris Sklaw Foundation and Johnson & Johnson.

The Fannie and Morris Sklaw Foundation has been a primary supporter since 1999. Their funding enabled the New Jersey Foundation for Aging to establish the Community Grant Program which over the years has funded more than 30 community services across the state. The late Harvey Sklaw, Esq. a principal Trustee of the Sklaw Foundation took a great personal interest in the work of the NJ Foundation for Aging. Johnson and Johnson was another 2008 Honoree. Johnson & Johnson's funding has provided resources to the Foundation to establish a monitoring component for the Community Grant Program.

It was an evening of fine dining and many laughs. NJFA continues to focus on raising awareness of aging issues, strengthening current partnerships, and networking to create new opportunities for private-public partnerships within the philanthropic community. The Foundation looks forward to another 10 years of innovative programs.
